## DEDICATION

In our third year of school, we found ourselves in a room with a new teacher whom we soon learned to love. Through her knowledge and understanding, we learned rapidly and at the end of the year we were promoted to the next higher grade. Through our remaining years of school, we have continued to admire and respect this teacher. We, the Seniors, can think of no better way to show our appreciation than to dedicate this 1971 edition of the LION to this teacher, Mrs. Mildred Lassiter.

- Brenda -  
To my real cute  
little niece, I  
want to wish the  
best of luck. I  
hope you have as  
much fun in the next  
few years as I had.  
I got to going about  
my freshman year and  
by my senior year, I  
will never mind, I  
don't like to talk about  
myself. It was hard  
work, and at times, I did  
not think I was going to  
make it, but I pulled  
through. No, I'm not likely  
to forget all the good  
times we have had together.  
We did some crazy & stupid  
things, even a few mean  
things, but it all was fun.

Linda - sweet Mf with  
a real school you  
to a home to wish  
you going & future.

every bit of it! Right?  
Sometimes I wish we  
could go back there. If  
the truth was known, I don't  
really think of you as a  
Niece. No, you are more like  
my sister, because we just  
sort of grew up together.  
But I guess I feel like a  
BIG sister since there is  
a 3 year (only) difference. We  
may like alike (beautiful), but  
we are still very different.  
Because I can't stand to  
cook. I guess that's why I  
can't cook, too. I hope you  
take after me and get you  
a steady, real true love boy-  
friend by the time you are  
a junior. But be sure & date  
every boy first. O.K.? Good  
luck in your next 3 years, little  
sister Niece. Love, Donna  
(SR. 4/11)

-Linda-  
I have enjoyed  
going to school  
with you. Keep up  
the good work. Good  
luck in the future.
